Cereal Bark

Directions: Cut out the recipe card below and add it to your family's favorite recipes. Follow along and make a delicious snack together!

CEREAL BARK

Ingredients:

3-4 Cups of your favorite yogurt (vanilla Greek yogurt)
1-2 Cups of your favorite cereal (Froot Loops & Fruity Pebbles)

Recipe:

1. Line an 8x8 baking sheet with parchment paper.
2. Take your yogurt and spread it on the bottom of the sheet so it's about 1/2" thick .
3. Then sprinkle your cereal over the yogurt lightly pressing it into the yogurt so it sticks together.
4. Put your sheet in the freezer for a couple hours or until your yogurt has hardened.
5. Once your bark has chilled take the parchment paper out and start breaking your bark into bite sized pieces!
6. Enjoy your bark and store the rest in your freezer.
