Santa's Helper

Directions: Santa needs help delivering the rest of the presents this Christmas. Can you help Santa deliver all the presents? Start by cutting out all the pieces and setting up your obstacle course like the map shown. Start at the North Pole with all four presents, set your timer, and start saving Christmas. WAIT! Their are a few obstacles that you have to tackle to get all the presents delivered on time. Conquer all the obstacles and deliver all four presents as quickly as possible. The player with the shortest time saves Christmas!
What you'll need: scissors, candy canes, Bop bag, tape, laundry basket, and a playball

1
Don't wake up the kids! Balance two candy canes together and walk in a straight line without dropping it.

2
Squeeze down the chimney! Jump up and down 15 times.

3
Fight away the snowstrom! Punch the bop bag 10 times.

4
Navigate the reindeer on the roof! Throw a ball into a laundry basket.
