**Directions:** Follow the step by step instructions below to make your colorful rain clouds!

## STEP 2

Fill your clear jar with water until its about 3/4 of the way full. Then you will put a heaping amount of shaving cream on top.

## STEP 3

Take your eyedropper (or small spoons might be easier for little kids) and begin putting drops of your food coloring and water mixture over the shaving cream.

Then you wait for the rain to break through the clouds and you get to watch the colorful magic happen!
